## Student Policy Objectives

Through its student policies, the Board seeks to advance goals which:

1. Enhance equitable educational opportunities for all students;
2. Promote regular attendance;
3. Ensure that all students rights as citizens in a democracy have practical meaning and application;
4. Develop students' personal assets such as responsibility, decision making and interpersonal relations;
5. Assure student safety, health and welfare;
6. Address matters of student discipline without discrimination in both form and operation;
7. Ensure that each student receives support services required for him or her to participate and succeed in school programs and successfully transition to adult life;
8. Support all students' academic growth beyond proficiency in academic content standards;
9. Encourage individual planning activities to assist each student in setting and achieving academic, career and personal goals;
10. Support the physical and cognitive growth and development of all students;
11. Utilize valid and reliable data for evaluating the effectiveness of curriculum, instruction, resource allocation, school improvement and cultural proficiency; and
12. Honor the differences among cultures by viewing diversity as a strength, and interacting knowledgeably and respectfully among a variety of cultural groups.
