Notification of Board Meetings

The Board will give public notice, reasonably calculated to give actual notice to interested persons, of the time and place for regular meetings and of the principle subjects to be considered.

If an executive session is to be held, the notice will state the specific provision of law authorizing the executive session.

No special meeting will be held without at least 24 hours notice to the Board members and the general public except in cases of emergency.

In an emergency, a meeting may be held with notice as is appropriate under the circumstances, but minutes will explain the emergency situation.

Dates of regular Board meetings will be provided to district employees, interested members of the public and the news media.

Notices to individuals with disabilities shall be given in an appropriate form upon request and with appropriate advance notice. Auxiliary aids and services available to ensure equally effective communications with qualified persons with disabilities may include large print, Braille, audio recordings and readers. Primary consideration will be given to the requests of the person with a disability in the selection of appropriate auxiliary aids and services.
