## Student Fund-Raising Activities

All fund raising must be approved by the superintendent or designee and supervised by the appropriate adviser.

Fund-raising projects involving the sale of products must also be approved by the activity sponsor and by the principal, before the activity is initiated. Solicitation of funds is expressly prohibited without the consent of the superintendent or designee.

If fund raising consists of selling food and beverage items to students during the regular or extended school day, the food and beverage items must comply with state and federal nutrition standards, rules and laws. This does not apply to food and beverage items sold at school-related or non-school-related events outside of the regular school day.
