Student Progress Reports to Parents**

The Board believes it is essential that parents be regularly and fully informed of their children's progress in school. Parent conferences in conjunction with regular progress will be utilized.

The school will report a pupil's progress to the student and to his/her parent or guardian. The report will be clear, concise, and accurate, and will provide a basis of understanding among teachers, parents and students for the benefit of the individual student. The Board directs the administration to develop progress report forms or cards in accordance with this policy.

In an effort to promote effective communications with individuals with disabilities, the school will provide progress reports in an alternative format upon request and with appropriate advance notice.

Full consideration will be given to the requests of the person with a disability in the selection of appropriate auxiliary aids and services.
