

# Central Point School District 6

Code: **IKFB**  
Adopted: 4/10/12  
Orig. Code(s): IKFB

## Graduation Exercises

Because the Board believes that completion of the requirements for a diploma, a modified diploma, extended diploma or alternative certificate from the public schools is an achievement that improves the community as well as the individual, the Board wishes to recognize that achievement in a publicly celebrated graduation exercise.

Accordingly, appropriate graduation programs may be planned by School District No. 6 on the date selected by the Board of Education.

The districts' valedictorian(s), salutatorian(s) or others at the discretion of the building principal or designee may be permitted to speak as part of the districts' planned graduation program. All such speeches will be reviewed and approved in advance by the building principal or designee.

All students in good standing who have successfully completed all requirements for a senior high school diploma, a modified diploma, extended diploma or alternate certificate may participate in graduation exercises. They must, however, follow the graduation practice schedule and protocol in order to participate in the exercises.

Students must be enrolled in at least two classes their senior year at Crater during their last term before graduation (this may include approved concurrent enrollment).
