

**Discipline for Use, Possession, Distribution or Sale of Tobacco
Products or Inhalant Delivery Systems**

Discipline guidelines for the use, possession, distribution or sale of tobacco products or inhalant delivery systems varies by the age of the student in violation and is therefore described in each school's student handbook. Students in extracurricular activities may be subject to additional discipline within the associated extracurricular activity.

At any grade or offense level, as either an alternative to, or as a part of discipline, school or community service and/or attendance and successful completion of cessation and/or education classes or behavior modification plans may be assigned at the discretion of the principal or designee. Attendance at such classes not offered by the district will be voluntary and any associated costs are the sole responsibility of the student and his/her parent. A referral to law enforcement and/or local public health authority may be made.
