Media Coverage of Board Meetings

The Board encourages media representation at Board meetings so as to ensure maximum public information.

A copy of the agenda and agenda materials will be sent in advance to members of the working press who request it. Additionally, all reports approved by the Board will be considered matters of official record and shall also be made available to the press. However, reports-in-progress on which the Board has taken no final action shall be released only upon the Board's authority as "draft copies."

In order that the Board may transact its business with dispatch, questions from the press will not be entertained while meetings are in progress. However, a representative of the Board will be available after each meeting to answer reporters' questions and to clarify points of discussion and action.
