Code: **EFAB**
Adopted: 3/01/99
Orig. Code(s): EFAB

Handling Lost, Stolen and Misused Meal Cards

The district will implement an automated payment system for all students participating in the school's breakfast and lunch programs.

The district's automated system will ensure the anonymity of students receiving free and reduced-price meals and free milk. It is the intent of the Board that students who meet the required eligibility guidelines always receive a free meal. Students who do not qualify for the free meal program are expected to keep their accounts current. Parents will be notified by phone or in writing, if necessary, if accounts are not current. No student will be denied a meal.

Notice of the district's policy will be provided to parents and students.
