Board-Staff Communications

The Board desires to maintain open communication channels with the staff. The basic line of communication will be through the district superintendent. However, this policy does not restrict protected labor relations communications of bargaining unit members. The superintendent will develop and recommend to the Board processes for communications between the Board and district employees.

Communications or reports to the Board or Board committee(s) from any staff member (s) should be submitted through the superintendent. This procedure will not be construed as denying the right of any employee to address the Board about issues which are neither part of an active administrative procedure, nor disruptive to the operation of the district.

All official communications and policies of staff interest and concern will be directed to staff members through the superintendent. The superintendent will employ media as appropriate to keep staff fully informed of the Board's positions and actions.
