Corporal Punishment**

Corporal punishment is any act which willfully inflicts or willfully causes the infliction of physical pain on a student. Corporal punishment is prohibited by Oregon law and is **not** an acceptable practice for discipline in the district. Permission to administer corporal punishment will not be sought or accepted from any parent or school official.

Corporal punishment does not include the emergency use of reasonable physical force by a school administrator, teacher, school employee or volunteer as necessary to maintain order or to prevent a student from harming him/herself, other students and staff or property.

Corporal punishment does not include any physical pain or discomfort resulting from or caused by voluntary participation in an athletic competition or recreational activity or physical exertion shared by all students in a teacher directed class activity which may include, but is not limited to, physical education exercises, field trips or vocational education projects.

Physical restraint or seclusion, when used as a part of a behavior support plan in a student's individual education program or Section 504 plan, which has been developed with parent participation, is not considered corporal punishment.

Physical force shall not be used to discipline or punish a student. The superintendent shall inform all staff members and volunteers of this policy.
