## **Suspension\*\***

The Board authorizes student suspension for one or more of the following reasons:

1. Willful violation of school regulations;
2. Willful conduct which materially and substantially disrupts the rights of others to an education;
3. Willful conduct which endangers the student, other students or staff members;
4. Willful conduct which damages district property.

Students and parents are given notice of possible discipline actions resulting from student misconduct that may result in suspension in the Student/Parent Handbook and code of conduct made available by the district.

Each suspension will include a statement of the reasons for suspension, the length of the suspension, and a plan for readmission and may include a plan for the student to make up school work. No suspension shall extend beyond 10 school days. The district may require a student to attend school during nonschool hours or participate in in-school suspension as an alternative to suspension. Every reasonable and prompt effort must be made to notify the parents of suspended students.

In emergency situations that are a result of risk to health and safety, the district may postpone the suspension notice process above until the emergency condition has passes.

Students who are suspended may not attend after-school activities and athletic events, be present on district property without a parent, or participate in activities directed or sponsored by the district.

Suspensions may be appealed to the Superintendent.
