Student Fees, Fines and Charges

The district will charge and collect student fees only for those activities that are outside the regular educational program of the district or which may otherwise be permitted by law. The superintendent is directed to develop procedures to implement this intent.

No student will be denied an education because of his/her inability to pay supplementary fees.

No student, however, is exempt from charges for lost or damaged books, locks, materials, supplies and equipment.

All student fees and charges, both optional and required, will be listed and described annually in the student/parent handbook, or in some other written form, and distributed to each student. Students will be advised of the due dates for such fees and charges as well as of possible penalties for failure to pay them.

In accordance with the law and with Board policy, restrictions and/or penalties may be imposed until such fees, fines or charges are paid.
