Public Solicitations in District Facilities

Fund raising by nonschool agencies or for nonschool activities during school hours will not be permitted without prior approval of the superintendent and/or principal.

Demonstrations of services or materials and canvassing of students or any school employee for the purpose of selling products or services shall not be permitted in either the district's schools or school grounds, unless authorized by the superintendent and/or principal.

No nondistrict-sponsored organization or individual may solicit funds or sell tickets within the district without first securing permission through the superintendent and/or principal.

Whenever possible, solicitation should occur during nonclassroom time.

The solicitation and sale of travel services to students may be permitted with approval of the superintendent on school property, at activities under the jurisdiction of the district and at interscholastic activities administered by a voluntary organization approved by the State Board of Education (i.e., Oregon School Activities Association).

This includes sale of services to students by any person or group that sells, provides, furnishes, contracts for, arranges or advertises travel services.

Sellers of travel services must meet the following district criteria:

1. Belong to an association of sellers of travel certified by the Director of the Department of Consumer and Business Services;
2. Provide proof of errors and omissions insurance;
3. Provide proof of a client trust account or performance bond;
4. Submit references;
5. Include in all information provided to students and parents that drug, alcohol and tobacco use will be prohibited;

6. Include in all information provided to students and parents a statement that the activity is a nonschool-sponsored event.(NCLBA). Any district survey containing any “covered survey items”¹ as defined by NCLBA, may also be inspected by parents.

The administration of surveys, questionnaires and requests for information by non-school-connected organizations are disallowed. Exceptions may be approved by the superintendent. In the event an exception is granted for the administration or distribution of a survey created by a third party, the district will provide an opportunity for the student’s parent to inspect such survey upon request, before the survey is administered or distributed by a school to a student, as required by the No Child Left Behind Act of 2001.

Parents may also request that their student be excused from participation in such surveys. Requests may be submitted in accordance with the provisions of Board policy KAB - Parental Rights and accompanying administrative regulation.

As required by law, the superintendent shall ensure that notification is provided to parents of students at least annually at the beginning of the school year or when enrolling students for the first time in school, of the specific or approximate dates during the school year when such surveys are scheduled or expected to be scheduled. The rights provided to parents under this policy transfer to the student when the student turns 18 years old or is an emancipated minor under applicable state law.
