Access to Buildings: Key Policy

To assist in the maintenance of an effectively run school district, the Board desires the implementation of an efficient, organized access plan to all district facilities, including procedures to facilitate this policy. The Board's objectives for providing controlled access are to:

1. Ensure maximum protection of all district property and facilities;
2. Minimize possibilities of theft, vandalism and loss of materials and equipment;
3. Involve staff members in the responsibility of accounting for district keys which they have received;
4. Eliminate unnecessary costs for replacing lost or misplaced keys or key fobs;
5. Establish and have maintained an efficient organizational plan for the maximum securing of all district property and facilities.
