

Evaluation of Staff

An effective evaluation program is essential to a quality educational program and an important tool in the improvement of the individual teachers' instruction, in the assessment of his/her performance and in the ability of the individual classified employee to carry out his/her specific job assignments. Under Board policy, administrators are charged with the responsibility of evaluating the staff in order to assess the performance of individual employees in meeting the expectations of their assignments. An evaluation program provides a tool for supervisors who are responsible for making decisions about promotion, demotion, contract extension, contract nonextension, contract renewal or nonrenewal, dismissal and discipline.

Licensed Staff

Evaluation of licensed staff shall be conducted to conform with applicable Oregon Revised Statutes and any applicable collective bargaining agreement provisions.

Teachers' evaluations shall be customized based on collaborative efforts and include the core teaching standards adopted by the State Board of Education.

2. Refine the support, assistance and professional growth opportunities offered to a teacher, based on the needs of the teacher and the needs of the school and district;
3. Allow the teacher to establish a set of classroom practices and student learning objectives that are based on the individual circumstances of the teacher, including classroom and other assignments;
4. Establish a formative growth process for each teacher that supports professional learning and collaboration with other teachers;
5. Use evaluation methods and professional development, support and other activities that are based on curricular standards and are targeted to the needs of the teacher.
