Student Activity Funds

Student activity funds shall be defined as those funds which include all moneys raised or collected by and/or for school-approved student groups excluding those moneys budgeted in the general fund.

Student activity fund moneys shall be collected and expended for the purpose of supporting the school's cocurricular activities program:

1. Cocurricular activities are comprised of the group of school-sponsored activities under the guidance or supervision of qualified adults, designed to provide opportunities for students to participate in such experiences on an individual basis, in small groups or in large groups – at school events, public events or a combination of these – for purposes such as motivation, enjoyment and/or improvement of skills;
2. Participation is usually not required and school credit usually will not be given.

Student activity funds shall be administered within each local school as follows:

1. The principal and the person in charge of the student activities program shall be responsible for administration of the building student activity funds;
2. The student treasurer of the school-recognized student government organization may serve as a representative of that organization in partial administration of the building student activity funds.

All student activity fund moneys shall be receipted and deposited according to district policy and acceptable accounting procedures.

All student activity fund expenditures must be approved by the principal. All activity accounts will be audited.
