Readopted: 2/19/15
Orig. Code(s): IKA

Grading System**

Letter grades will be used in the district.

Grading will be conducted on a nine-week basis. The nine-week grade will be based on many factors, such as: basal text/instructional materials assignments, both oral and written; class participation; special assignments; research; activities of various types and kinds; and special contributions.

Although it may be difficult to establish the quality of letter grades and the methods used in arriving at a grade, there must be a record which reveals how the teacher arrived at the grades given. Absenteeism or misconduct shall not be the sole criteria for the reduction of a student's grade. Behavioral performance shall be reported separately.

At the beginning of the grading period students and parents will be informed regarding the basis of the grades and the methods to be used in determining them
