The following definitions apply to this policy:

"Substance abuse" means the use of any chemical or chemical compound which releases vapors or fumes or substance not otherwise excepted by law, Board policy or administrative regulation, which is toxic, corrosive, an irritant, a strong sensitizer, flammable, combustible, generates or is used to generate pressure, if such chemical or chemical compound, substance or mixture of substances is used in a manner that may cause intoxication, inebriation, stupefaction, personal injury or illness when induced by any means into the human body.

An "unlawful drug" means any drug as defined by the Controlled Substances Act including, but not limited to, marijuana, cocaine, opiates, amphetamines and phencyclidine (PCP). Students are subject to discipline for conduct while traveling to and from school, at the bus stop, at school-sponsored events, while at other schools in the district and while off campus, whenever such conduct causes a substantial and material disruption of the educational environment or the invasion of rights of others. Students may be denied participation in extracurricular activities. District administrators acting on reasonable suspicion may request that students participate in a Breathalyzer screening for alcohol at school or prior to or during a school-sponsored event.
