

College Campus Safety

The College will work with community agencies to reduce the opportunity for criminal/anti-social activities and providing a safe and secure environment for staff and students.

The College shall provide for and maintain a safe and secure educational environment, structured to provide for the personal and public safety interests of students, faculty, staff and community campus users. It shall be the primary responsibility of the College's Safety Office to provide certified professional staff members, charged with maintaining a safe college.

The College prohibits sexual assault, domestic violence, dating violence or stalking, as defined in federal and state laws. Individuals violating this policy will be subject to discipline up to and including dismissal or separation from the College, regardless of whether they are facing criminal or civil charges for their actions.

The College will provide students and staff with education programs, as described in the Campus Sexual Violence Elimination Act, to promote the awareness of and strategies intended to prevent rape, acquaintance rape, sexual assault, domestic violence, dating violence and stalking, before they occur.

The College Safety Office shall be primarily responsible for carrying out the mandates of the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act.

Security and Access

The Board seeks to provide an atmosphere of openness for the encouragement of collegiate activity at College-controlled facilities. This must be balanced by controls on access which are designed to promote security in College facilities.

Reporting of a Crime or Other Emergency

College personnel shall cooperate fully with local, state and federal law enforcement agencies as they seek to protect life and property, to prevent disruptive behavior and preserve a secure environment at the college. It is the responsibility of students and staff to report all crimes, even those considered minor, to local law enforcement and the College Safety Office. All suspicious activity and other emergencies should be reported to the College Safety Office or another administrator, promptly.

The President or designee shall develop administrative regulations necessary to implement this policy and to meet the requirements of law.
