

College Campus Safety

The College shall provide for and maintain a safe and secure educational environment, structured to provide for the personal and public safety interests of students, faculty, staff and community campus users. It shall be the primary responsibility of the College's campus safety office to provide certified professional staff members, charged with enforcement of law and college board policies.

The College campus safety office shall be primarily responsible for carrying out the mandates of the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act.

Security and Access

The Board seeks to provide an atmosphere of openness for the encouragement of collegiate activity at College-controlled facilities. This must be balanced by controls on access which are designed to promote security in College facilities.

Reporting of a Crime or Other Emergency

College personnel shall cooperate fully with local, state and federal law enforcement agencies as they seek to protect life and property, to prevent anti-social behavior and preserve a secure environment in the locations where classes are held and offices are located. It is the responsibility of students and staff to report all crimes, even those considered minor, to the Campus Safety Department. All suspicious activity and other emergencies should be reported to the Campus Safety Department or another administrator, as promptly as possible. The President shall develop administrative regulations necessary to implement this policy and to meet the requirements of law.
