

Children on Campus

Employees

Except for employer-sponsored programs such as “Take Your Child to Work Day,” institutional liability prohibits employees from bringing their children to work if they will be supervising the child(ren) while they are working. Prior approval for rare exceptions are at the sole discretion of the supervisor.

Students

Only enrolled students may sit in classes or labs, except for sponsored programs (i.e. Skills Contest). Prior approval for rare exceptions are at the sole discretion of the instructor.

Minors who are brought to any College campus site by a responsible adult, including parking area, are not to be left unattended or unsupervised; and the adult assumes all liability for the child’s welfare and negligence. Child care is the responsibility of the adult and not the College. This regulation does not prohibit College premises from being used as it is intended by any customer of the College (i.e. library).
