

Authorized Use of College Equipment and Materials

The Board recognizes that College equipment and materials are purchased to provide for and/or enhance students' educational programs. It is the Board's responsibility to establish policies to protect and maintain this equipment. The President is responsible for establishing guidelines concerning equipment and materials and conditions under which they may be used. Equipment and materials will be available to College employees through their programs and authorized use shall be consistent with ORS Chapter 244.

In all cases, equipment and materials shall not be used for private financial gain.
