Board Legislative Program

The Board will represent CESD's interests in legislative action to promote the interests of educational service districts, component school districts, and the welfare of public education in the state of Oregon or will direct those interests to be represented through the superintendent or designee.

The Board will periodically study, discuss, and weigh the merits of pending legislation for the purpose of determining its official position through Board action.

Board members, individually or as members of professional organizations, will not seek to represent any other positions on legislative matters unless it is made clear that such representation is not the official stand of CESD.
