**Funding Proposals and Applications**

CESD shall, when appropriate, seek federal, state, or private funds and other forms of assistance designed to improve the programs and services of CESD. All such activity shall have either Board or superintendent approval prior to initiation of the effort on the part of CESD employees.

In the event an opportunity arises to submit a grant proposal and there is insufficient time to place it before the Board, the superintendent is authorized to use his/her judgment in approving it for submission. The superintendent will review the proposal with the Board at its next regular meeting. The Board reserves the right to reject funds associated with any grant which has been approved.

The Board shall, before an acceptance of such funds, consider CESD's obligations, expectations, or encumbrances when the grant/funding ceases.
