Readopted: 2/27/13

Local Service Plan

CESD will provide services to component school districts in accordance with a Local Service Plan developed by CESD and component school districts. The plan must be adopted by the Board and developed to meet the following CESD service goals:

1. Assist component school districts in meeting the requirements of state and federal law;
2. Improve student learning;
3. Enhance the quality of instruction provided to students;
4. Enable component school districts and district students to have equitable access to resources; and
5. Maximize operational and fiscal efficiencies for component school districts.

A Local Service Plan must contain annual performance measures. The Local Service Plan must also include services as required by state and federal law, and in the following areas:

1. **Special-Needs Students:** The Local Service Plan must include programs for children with special needs, including special education services and services for at-risk students.
2. **Technology Support:** The plan shall include technology support for component school districts and individual technology plans for each district. CESD will provide technology infrastructure services, data services, instructional technology services and distance learning.
3. **School Improvement Services:** The Local Service Plan will include school improvement services for component school districts, including the following:
 - a. Services designed to support component school districts in meeting the requirements of state and federal law;
 - b. Services designed to allow CESD to participate in and facilitate a review of the state and federal standards related to the provision of a quality education by component school districts;
 - c. Services designed to support and facilitate continuous school improvement planning;
 - d. Services designed to address school-wide behavior and climate issues;
 - e. Services designed to support career technical education.
4. **Administrative and Support Services:** Local Service Plans must include administrative and support services for component school districts, including services designed to consolidate component business functions, liaison services between the Department of Education and component school districts and registration of children being taught by private teachers, parents or legal guardians.

5. **Other services** required under ORS 339.005 to 339.090 or services designed to meet regional needs.
6. CESD may provide entrepreneurial services and facilities to noncomponent school districts and other public and private entities pursuant to ORS 334.185.

CESD may provide the services required by the Local Service Plan in cooperation with another ESD, with a school district, or contract with a private or public entity for services.

The proposed new Local Service Plan is presented to each component school board during the months of January and February. Each board takes formal action on the plan. The criteria for full approval is that two thirds of the component districts representing at least 50 percent of the students enrolled in Clackamas County school districts must vote in favor of the plan (ORS 334.175 (5) (a) (b)).

Prior to June 30 of each year CESD shall submit to the Department of Education the adopted Local Service Plan of CESD.
