Use of Feature Films/Videos**

The Board recognizes the showing of commercially produced and rated feature films and videos may have a legitimate purpose in a CESD educational program. Since the content of these feature films customarily is designed for general audience viewing, the Board feels certain precautions should be taken to ensure the showing of a particular film is consistent with the educational values espoused by the district. Only films rated G, PG, or PG-13 may be shown as part of CESD program. Non rated films or R rated films can only be used upon review and permission by administration. The Board directs CESD to follow the policies and administrative regulations of the component school district where the program resides.
