Adherence to Component School District Student Policies

1. Except for student behavior covered by Board policy JGDA/JGEA - Discipline of Students with Disabilities, student issues shall be governed by component school district policies. Examples include, but not limited to, attendance; use of tobacco; possession or use of drugs/alcohol, and weapons; HIV/AIDS; and administering medications.
2. Enforcement of component district policies for students being directly served by CESD shall be done in consultation with all affected component school districts.
