Funding Proposals and Applications

The district may pursue federal, state or other grants-in-aid that will assist the district in meeting adopted goals and objectives of the curriculum or in creating facilities or in purchasing equipment.

The Board shall, before an application and acceptance of an initial grant-in-aid, consider the district's obligations, expectations or encumbrances when the grant ceases.

In the event an opportunity arises to submit a grant proposal and there is insufficient time to place it before the Board, the superintendent is authorized to use his/her judgment in approving it for submission. The superintendent will review the grant proposal with the Board at its next regular meeting. The Board reserves the right to reject funds associated with any grant which has been approved.
