Insurance Reserve Fund

The Board recognizes that the district incurs certain losses not covered by insurance policies; therefore, an insurance reserve fund may be established. The fund will cover, but is not limited to, the following incidents:

1. District property damage not in excess of current deductible;
2. Theft of district property not covered by insurance;
3. Theft and damage of personal property in excess of \$25 where said property is condition of employment. Reimbursement will be at the discretion of the Board and will be made on a case by case basis;
4. Theft and damage to student personal property in excess of \$25 on school grounds where said property has been required for academic purposes, or property for school-sponsored fund-raising activities.

In cases where a claim is filed for theft, a report must have been made to local law enforcement officials before consideration.

Funding will be by appropriation as determined by the budgeting process.
