## **Use of Tobacco Products, Alcohol, Drugs, or Inhalant Delivery Systems**

The Board recognizes that the use or abuse of tobacco products or inhalant delivery systems, alcohol and drugs, including prescription drugs and over the counter drugs, interferes with the educational process. It is recognized that chemical dependency is a condition that can be treated successfully.

The Board recognizes its dual responsibility to establish discipline policies and procedures in relation to student alcohol, tobacco products or inhalant delivery systems, and other drug use, as well as to support staff training and community awareness activities related to alcohol and other drug education.

### **Tobacco**

1. Student use, possession distribution or sale of tobacco products or inhalant delivery systems in any form on the district premises, at a school-sponsored activity, on or off district premises, on all district grounds, including parking lots, in district-owned, rented or leased vehicles or otherwise, or while a student is under the jurisdiction of the district is prohibited.
2. Tobacco products or inhalant delivery systems discovered at school will be confiscated. In the case of minors under 18 years of age, student's parents and the county juvenile department will be notified. Use of tobacco products or inhalant delivery systems on the district premises, at a school-sponsored activity, on all district grounds, including parking lots, in district-owned, rented or leased vehicles or otherwise, or while a student is under the jurisdiction of the district will lead to suspension. Possession of tobacco on the district premises or at a school sponsored activity may lead to suspension.

Suspension of the student for up to 5 consecutive school days on the first offense; second offense will be suspension for 10 consecutive school days; and the third or more offense will be a 30 day expulsion.

3. Students knowingly in the presence of active student use of tobacco products or inhalant delivery systems at school or during school hours will be subject to school discipline.
4. Repeated offenses may lead to expulsion.

### **Alcohol and Drugs**

All students, while under district jurisdiction, on or off district property during the school day or attending school sponsored activities who possess, distribute, sell, use or give evidence of having consumed alcohol beverages, drugs or narcotics intended to alter mood shall be subject to professional assessment, discipline, suspension, and/or expulsion and other appropriate alternatives. Students should not frequent, be in the presence of, or close association with the use of illegal drugs or alcohol.

1. Possession and/or use: For verified possession and/or use of marijuana, alcohol and/or other illegal or misused substances intended to alter mood, not taken at the direction of a physician, a.- f. of the following will be imposed:
  - a. The principal notifies and requests an immediate conference with the parent/guardian and student;
  - b. Report verification to appropriate police agencies and allow their involvement as needed;
  - c. Suspension of the student for up to 5 consecutive school days on the first offense; second offense will be suspension for 10 consecutive school days; third offense will be a 30 day expulsion.
  - d. If the student/parents or guardians refuse to permit the assessment, a recommendation for expulsion will be forwarded by the principal to the superintendent;
  - e. After receipt of assessment results, any of the following may be initiated by the principal or superintendent:
    - (1) Referral to participation and successful completion of a drug assistance program designed and implemented for students between the age of 10 and 18 (if available);
    - (2) Referral to treatment center;
    - (3) Detention work/study/in-house suspension;
    - (4) Assignment to community agency or alternative learning experience;
    - (5) Student performance contract;
    - (6) Other appropriate alternatives including expulsion.
  - f. Failure to comply with the counsel of the principal or superintendent or a third offense may result in a recommendation for expulsion.
2. Sale and/or distribution: For verified sale and/or distribution of marijuana, drug paraphernalia, alcohol and/or other illegal or misused substance intended to alter mood, not taken at the direction of a physician, all of the steps listed in 1. a.-g. above will be followed plus referral to the proper law enforcement agency will be mandatory.
3. Student athletes disciplined under this policy will also be subject to consequences in Board policy JFCIA - Student Athlete Drug Testing and administrative regulation JFCIA-AR.
