

Gifts and Solicitations

Individual employees will limit giving gifts¹ to staff members who exercise any direct or indirect administrative or supervisory jurisdiction over them. Collecting money for group gifts is discouraged except in special circumstances such as bereavement, serious illness or retirement gifts. Staff-initiated "sunshine funds" are exempt from this policy.

No staff member may solicit funds in the name of the school through the use of, including but not limited to, internet-sourced crowdfunding or other similar types of fund raising, without the approval of the administrator.

Individual employees need to be accountable for maintaining integrity and avoid accepting anything of value offered by another for the purpose of influencing his/her professional judgment.

No organization may solicit funds from staff members within the schools, nor may anyone distribute flyers or other materials related to fund drives through the schools without the administrator's approval. Staff members may not be made responsible or assume responsibility for collecting money or distributing any fund-drive literature within the school without the administrator's approval.

The soliciting of staff by sales people, other staff or agents during on-duty hours is prohibited. Any solicitation should be reported at once to the administrator. Advertising is not allowed in the building without the administrator's approval.
