Educational Philosophy

The Board believes:

- That education is a major civilizing influence on the development of a humane, responsible and
1. informed citizenry, able to adjust to and grow in a rapidly changing world;
 2. That students must be encouraged to learn their heritage and their place in the global society;
 3. That all students learn;
 4. That all students can be held to rigorous academic content standards;
 5. That all students can be expected to succeed;
 6. That access to quality education must be provided for all students regardless of linguistic background, culture, race, sex, geographic location and/or capability.
