Grants from Private Sources

Grant proposals for external funds from private sources will be submitted to the Board for evaluation and approval. Board approval is needed before any fund raising through social media websites (i.e., GoFundMe.com) can be started.

In the event an opportunity arises to submit a grant proposal and there is insufficient time to place it before the Board, the superintendent is authorized to use his/her judgment in approving it for submission. The superintendent will review the grant proposal with the Board at its next regular meeting. The Board reserves the right to reject funds associated with any grant which has been approved. Any materials or equipment purchased with grant funds or through social media websites become the property of the district.
