Alternative Transportation Request

I am requesting that _____ be allowed to ride to/from the _____
(student name) (activity)

at _____ on _____ with _____
(location) (date) (person transporting student)

in place of bus transportation provided by the district due to _____.
(reason)

I hereby release the Condon Administrative District #25J and its employees from all responsibility relative to the actions/activities and possible accidents that could occur by allowing my youngster to take alternative transportation other than that provided by District 25J.

It is understood that unusual circumstances make it necessary for me to request this departure of district policy which states that students should go and return as a team or member of an activity additionally it is understood that parents should allow only responsible adults to transport their children.

This request must be submitted one day in advance of the activity.
