Program Exemptions

The Board may excuse students from a state-required program or learning activity for reasons of religion, disability or other reasons deemed appropriate by the district.

An alternative program for credit may be provided through a personal education package developed by a teacher, principal, parent and student in lieu of the regular program (see administrative regulation IGBHD-AR - Personal Education Package Guideline for District Students). The principal will determine if the request for excuse from a regular program or learning activity is based solely on religious or physical reasons.
