Cocurricular/Extracurricular Activities

Student activities shall be regarded as a vital part of the total educational program and shall be used as a means of developing wholesome attitudes, good human relations, as well as increasing knowledge skills.

The principal shall be responsible for the organization of all student activities. He/She shall provide adequate supervision, administer student finances and approve all student activities with the assistance of members of the faculty delegated by the principal as advisors.

A parent/guardian may request that a student from his/her family be excused from certain types of student activities for religious or physical reasons. The administration shall consider the request in terms of the welfare of all students as well as in terms of the welfare of the individual.

Cocurricular and extracurricular program travel procedures and guidelines will be followed as established below:

1. Transportation shall be provided for all district approved activities when budgeted or prior approval has been given by the Board for additional funding;
2. Lodging shall be provided by the district for district, state and national competitors and their coach/advisor(s) when budgeted or prior approval has been given by the Board for additional funding.

The superintendent will develop administrative regulations to govern high school participation in district cocurricular and extracurricular activities including such guidelines for transportation and lodging, as may be necessary.
