Admissions

The Board is committed to providing an educational program for all students living in the district. The Board believes all students living in the district who have not completed 12 years of education should attend school regularly and be included in the available educational programs.

State law requires students to be age six on or before September 1 to enter first grade; and age five on or before September 1 to enter kindergarten.

A student transferring from another district because his/her parents moved to the district may be enrolled in whatever grade he/she was enrolled in at the previous district regardless of age, provided however, that the student was in attendance at the former school for not less than 20 school days.

All new students must register in the office. Registration requirements may include proof of the student's birth date (a birth certificate, a hospital record or a baptismal record), and immunization records as required by law and permission to request previous school records. Students admitted to any grade must show evidence of completing the prior school years.

Students enrolled in the district shall comply with Oregon laws related to age, residence, health and immunization.

Students located in the district shall not be excluded from admission solely because the student does not have a fixed place of residence or solely because the student is not under the supervision of a parent.

Students located in the district shall not be excluded from admission where they are otherwise eligible, not receiving special education, and not yet attained the age of 19 prior to the beginning of the current school year.

The district may admit an otherwise eligible person who is not receiving special education and who has not yet attained 21 years of age prior to the beginning of the current school year if the person is shown to be in need of additional education in order to secure a diploma.
