Visitors to District Facilities**

The Board encourages parents and other district citizens to visit the school and classrooms at any time to observe the work of students, teachers and other employees.

To assure that no unauthorized persons enter a school, all visitors will report to the district office when entering and will receive authorization to visit elsewhere in the building.

No individual may loiter in or near a district building or on grounds. Loitering means not having any reason or relationship involving custody of or responsibility for a student attending that school or upon inquiry, not having a specific legitimate reason for being there.

Any unauthorized person on school property will be reported to the principal or superintendent. The person may be asked to leave. Police may be called if the situation warrants such measures.

Visitors are welcome in school facilities. However, they must not disrupt school functions. Student guests in classrooms will normally not be allowed.
