Code: **BK**  
Adopted: 2/09/87  
Readopted: 11/02/09  
Orig. Code(s): BK

## Evaluation of Board Operational Procedures

The district's program of general operational accountability shall be systematic and specific, primarily utilizing the following major elements:

1. Clear statements of expectations and purposes coupled with specifications of how their successful achievement will be determined.;
2. Provisions for the staff, resources, and support necessary to achieve the stated purposes;
3. Evaluation carefully designed to determine how well expectations and purposes are met; and
4. Revisions and modifications as needed for improvement.

The Board accepts its responsibility to lead in the identification and development of broad goals and specific objectives to be accomplished by the district and to make realistic adjustments in these targets after the adoption of the actual operating budget. In return, the Board will expect the superintendent to employ appropriate means to provide for continuous and candid reports of the accomplishments by staff in the pursuit of these goals and objectives for which reliable measurement indicators have been established.

The purpose of these accountability reports shall be to provide the Board with information needed for making ongoing policy and planning decisions and to keep the public informed about district needs and actual results being obtained from the public's support of district programs.
