District Annual Report

Each year the superintendent will submit an Assurance Form to the Board certifying the district is in compliance with all standards established by statute and by the State Department of Education for Oregon's public schools. This assurance will be presented at a regular open Board meeting as a means of informing parents and citizens of the programs and conditions of the district. The Assurance Form will be presented to the Board prior to its inclusion as part of the annual Consolidated Improvement Plan (CIP), which is to be submitted to the State Department of Education each fall.
