

# Coos Bay School District 9

Code: **EBBCC**  
Adopted: 12/10/07  
Readopted: 12/15/09  
Orig. Code(s): EBBCC

## Use of Automated External Defibrillator (AED)

Because the district has made an automated external defibrillator (AED) available for emergencies, the following conditions must be met prior to its use:

1. Any person using the AED must possess a current CPR/AED card and have received instruction in the use of the AED and successfully completed a course in cardiopulmonary resuscitation (CPR) in a course approved by the Department of Human Services.
2. The district must train a sufficient number of employees in the use of the AED so that at least one trained employee may be reasonably expected to be present during regular working hours. Names of the designated employees will be posted.
3. Any person using the AED on another person must activate Emergency Management Systems (911) and must follow the emergency procedure protocol as outlined in the training and adopted by the district.
4. The AED, its battery and its electrodes must be maintained, inspected and serviced as recommended by the manufacturer by an individual that has been properly trained in the maintenance and use of the AED and has direction to do so by the district.
5. The AED must be stored in a location from which the AED can be quickly retrieved during regular working hours. The presence and location of each AED must be clearly indicated.
6. Maintenance use and storage of the defibrillator will be in compliance with any applicable state and/or federal laws.
7. The superintendent or designee will develop and maintain a plan for training and use of the AED.
