

Coos Bay School District 9

Code: **ECBA**
Adopted: 7/12/93
Readopted: 12/15/09
Orig. Code(s): ECBA

Energy Control Program (Lockout/Tagout)

The district shall establish a lockout/tagout program consisting of energy control procedures and employee training. This program will ensure that machines and equipment are properly isolated from energy sources so that employees cannot be injured from unexpected operation or release of stored energy in machines which employees are inspecting or servicing.
