

# Coos Bay School District 9

Code: **EDD**  
Adopted: 3/08/93  
Readopted: 1/19/10  
Orig. Code(s): EDD

## Recycling - Conservation

The district will make a concerted effort to conserve its resources. An act of good citizenship is the conservation of natural resources. Therefore, staff and students will make resource conservation a part of the district's physical operation and educational program.

Resource conservation in the district will be implemented by:

1. The efficient utilization of materials prior to disposal;
2. Limited use of disposable materials;
3. Limited use of nonbiodegradable products;
4. The use of best practices for resource management.

The district will cooperate to the fullest extent in the recycling efforts of the community. Therefore, the Board requires each school and other district sites to participate in recycling.

When it is financially feasible, the district will purchase recycled products.
