## Naming New Facilities

Normally, elementary schools will be named by location. Schools may be named after individual persons who have been outstanding in educational endeavors or who have furthered the cause for better schools and educational programs in the community and/or in the state. Such persons must be retired from active participation in educational activities.

Names may be presented by petition, by chosen committees, or by other representative groups in the area. The Board has the final decision in the naming of schools.

The Board will officially name a school on or before the bid is let for construction of the school.
