

Coos Bay School District 9

Code: **GB**
Adopted: 3/14/88
Readopted: 10/10/11
Orig. Code(s): GB

General Personnel Policies

The quality of the professional and support staff is of primary importance in achieving the educational objectives of the district. In filling any position, therefore, the district will seek out and appoint the best-qualified person available for the position.

The Board will approve the employment of candidates to fill licensed positions, upon the recommendation of the superintendent. The superintendent will employ all other personnel as needed.

Notice of all regular job openings will be made available to current staff members. Vacant positions may also be advertised through professional and institutional placement agencies, appropriate employment agencies, and general and specialized media.

Applications or inquiries concerning job openings will be received by the personnel officer on standard district application forms. The selection process will be coordinated and supervised by the personnel officer, with the involvement of other appropriate administrators and supervisors.

Each candidate selected for a position with the district must possess or demonstrate eligibility for any license or permit required to fill the position. In addition, the individual must be insurable by the district's insurance carrier for any position requiring liability insurance coverage or bonding.

In accordance with Oregon law, the district may require any candidate, as a condition of employment, to hold a current, recognized first aid card. A current employee required to hold a card will obtain it within 90 days from the date on which the district gives notification.

Personnel selected for employment will be notified in writing of their selection. This notification will specify the initial assignment, the job classification, the salary or hourly rate, the length of the workweek, and the length of the assignment. Unsuccessful applicants will be notified. The superintendent or designee will make initial assignments.

The superintendent will establish regulations governing the recruitment, selection, and employment of personnel in accordance with this policy.
