Compliance with Standards

The Board recognizes the need to comply with the educational standards as outlined by the State Board of Education.

It is also recognized the district may petition the State Superintendent of Public Instruction for a waiver of a specific standard. A petition shall specify the reason(s) the district is seeking the waiver and other relevant information. If it is determined the request conforms with the intent of the standards, the state superintendent shall recommend the waiver to the state board.

The district will maintain a record of any waivers that have been requested by the district and approved by the State Board of Education.

Procedures shall be developed whereby residents of the district or any parent of students attending school in the district may make an appeal or complaint alleging violation of standard. The district shall also include a procedure for direct appeal to the State Superintendent of Public Instruction of an alleged standards violation.

Complaints alleging violations of standards may be filed using Policy KL Complaint Procedure for School patrons and its administrative regulations and a final decision must be made within 90 days of the filing of the written complaint.
