

Use of Feature Films/Videos in the Schools

Prior to showing a feature film/video in a school, the instructor must seek the written approval of the building principal. At least five days prior to the showing, the instructor shall submit to the principal (in writing) the following information on the particular film:

1. Title and brief description;
2. Purpose for the showing;
3. Match with course objectives;
4. Proposed date of showing;
5. When and how parents will be notified, or if necessary grant consent;
6. Audience rating (G, PG, PG-13).

Following building principal approval, the showing of all feature films/videos with a G rating requires prior parent notification from the instructor.

For feature films/videos with a PG or PG-13 rating, prior parental consent will be required before a student views the film.

Instructors are required to preview all film media before showing to students.

Only films/videos rated G, PG or PG-13 may be shown as part of the school program. A parent may have the opportunity to preview a film when practicably possible and that parent must give prior consent before his/her student may view a film rated PG or PG-13.

Parental notification for the showing of G movies at the secondary level will be at the discretion of the building administrator.
