

## Grading System

The district's grading system shall be based on Board adopted course content and is designed to enable the student and parent to clearly know how well the student is achieving course requirements.

Letter grades will be used in the district.

Grading will be on a nine-week basis. The nine-week grade will be based on many factors, such as: basic instructional assignments, both oral and written; class participation; special assignments; research; activities of various types and kinds; special contributions.

At the beginning of the grading period students and parents will be informed regarding the basis of the grades and the methods to be used in determining them. Parents and students will be given periodic progress reports throughout the duration of the course.
