Early/Delayed Graduation **

A student who, for sound educational and vocational reasons, wishes to graduate from high school in less time than the ordinary grade 9 - 12 sequence may request permission to complete graduation requirements on an altered schedule. The student and his/her parents will consult with high school guidance personnel in order to develop a graduation plan. Their intention to accomplish this plan will be stated in writing to the high school principal. The plan must be submitted to the high school principal by the beginning of the junior year.

Students who have successfully completed the junior year with fewer than the required credits for graduation and are then accepted at accredited colleges may receive their high school diplomas if, at the completion of the first semester, they are in good scholastic standing at the college.

Delayed graduation may be considered for the following reasons:

1. The student has not met the minimum requirements as prescribed by the Board;
2. To provide for re-entry following interrupted schooling;
3. The desire and ability to demonstrate further development in breadth or depth.
