

Corbett School District 39

Code: **JECAA**
Adopted: 2/11/99

Release of Resident Students to Other Districts

It is the intent of the district to educate all Corbett students in Corbett Schools. The Board recognizes, however, the needs of some students may best be met by attending school in another district.

Transfer requests may be approved by the superintendent in accordance with established district procedures.

The superintendent will develop administrative regulations to implement this policy, including provisions to appeal transfer request denials to the Board.
